兩名來自砂朥越的堂兄弟一路來都默默耕耘的從事務農生意，然而在某種緣之下，他們憑藉以往多多六合彩大贏家的心得拉事，以系統7包字玩法攜手包下7位家庭成員的歲數而贏得大獎。

他們所下注的7個號碼中有6個號碼(9、11、24、37、47及52)在2009年10月11日第3242/09開彩期中，被抽中為無窮多多六合彩(6/52)的首獎號碼，使他們贏得了RM10,803,741.40的實質獎金。此外，他們所投注的系統7包字玩法也贏得六份二獎，即額外贏得RM19,800的獎金。

似此歲數留黃金的神話一而再，再而三的發生，您和家人的年齡也可能是一個幸運組合，或許下一期的大贏家就是你！

多多精彩，這之也！

Inspired by previous Toto Lotto winners, two cousins who own a farm business in Sarawak decided to test their luck by wagering on System Play 7 with a combination of seven numbers derived from the ages of their family members.

True enough, with a stroke of good fortune, six out of their seven chosen numbers (9, 11, 24, 37, 47 & 52) were drawn as the first prize on 11th October 2009 (Draw No. 3242/09). This made their millionaire dreams a reality as they reaped the rewards in total of RM10,803,741.40. And the excitement doesn't end there. Through System Play 7, they also took home an extra RM19,800 by winning six sets of the second prize.

What's amazing is that these two farmers aren't the first to obtain winning numbers from loved ones. And they certainly won't be the last. Who knows, your family could very well be mega-winners too. Sports Toto, go for it.
