When it comes to turning dreams into reality, no one else can tell the story better than our 3 mega-lucky winners.

For our record-breaking winner from Perak, investing in Mega 6/52 was a weekly affair. But little did he know that he was destined to win RM20,964,143. A discovery he made one fateful day, when his chosen numbers (13, 15, 20, 27, 46 and 49) were drawn as the first prize on 9 December 2008.

And just 3 days before that, a total of RM20,000,000 was jointly won by 2 businessmen from Johor and N. Sembilan respectively. Their winning numbers were 5, 6, 7, 9, 12 and 19.

While it seems that their fortunes were written in the stars, it certainly wouldn't have come true had they not reach for it. And with the maximum payout increased to RM30 million, you could be a big winner too. Sports Toto, go for it!
