該幸運的主婦于 2011 年 8 月 13 日（星期六），第 26071 號彩票中，透過系統 12 玩法，投注了 12 個高字號碼，共獲得 66 對高字組合。而其中一對 - “2120 和 0291”，擊中了 RM7,938,045.28 的多年高字號碼巨獎。除了基礎獎賞這項獎金之外，她還贏得了 20 份三獎，總得額外 RM5,360 的獎金。

主婦得知自己中了近 800 萬令的獎金後，久久未能平復興奮之情，至少也還未想到任何該如何處理這筆天降橫財。

Winfall often comes in surprising circumstances. It sometimes comes while spring cleaning at home when one clears away the forgotten mess. This remarkable feat of fate happened to a simple 40 year old housewife from Penang who fortuitously stumbled on an old forgotten stack of 4D tickets dating back to 2007 while cleaning her closet. She decided to try her luck with the timeless 4D numbers and was thrilled when she won the massive RM 7,938,005.30 million Tote 4D first prize Jackpot.

With System Play 12, the housewife bet on 12 sets of 4D numbers that gave her 66 pairs of 4D numbers on 13 August 2011 (Draw No: 26071). Her numbers “2120 & 0291” won the 4D first prize Jackpot totaling RM7,938,045.28 and an additional RM5,360 for winning 20 sets of the 3rd prize. The wonderful feature of System Play is winning additional prizes.

Becoming a millionaire overnight has left the housewife gobsmacked. She is still inclusive of how she would spend her newfound fortune as she is still very much dumbfounded by it all.
