On Saturday, 15 September 2012, a retiree from Selangor walked away with the biggest ever Power Toto 6/55 jackpot at RM41,443,418.80 through his winning set of numbers 11, 12, 19, 22, 28 & 39 which originated from his telephone number. Even though one of the numbers was mistakenly keyed in by a Toto customer service assistant, believing that it might be a blessing in disguise, he didn't make a fuss over the mistake and kept on pursuing the set of numbers for over a year. And true enough, his belief was right.

He said that the massive jackpot might not have any big impact on his personal life, but it would be of great help to his children – some salaried and some self-employed.

"This fabulous jackpot is going to be a lovely gift for me and my wife as we will be celebrating our 45th wedding anniversary!", he added. He also named several charitable bodies which he has in mind to donate some of his winnings to.
